We have a new Web Site. The New Address is www.hummerseaprimarieschool.co.uk There will be an app available to download in the near future.

Reception parents look out for the children's photograph in the Evening Gazette tomorrow 1st November as it should be appearing in their first class feature.

If you would like to support the Love in a Box appeal (leaflets sent out last half term) and have made up a shoe box Christmas Present, please return it to the school office by Tuesday 14th November.

If you know anyone who has children who are 2 years old on or before 31st December and think they may qualify for a place in our 2 year setting, please call into the office and see Mrs Barrett for more information and an application form.

Again if you know of or have any children that have not yet registered for our nursery please do so as we are nearly full for this year and the following years are filling up fast.

Can we remind parents that children must not wear earing's to school on the days they have swimming and PE.

Finally we understand that sometimes a situation arises and you need to get a message to your children for example home time pickup arrangements. However, with the school now been larger we are finding that our admin staff are spending an increasing amount of time away from the office delivering messages, missing vital work time, telephone calls and leaving visitors waiting at the door. Where possible could you please try and organise your children to know what is happening each day before they leave home for school.

Yours sincerely,

Mr.P.Tyreman, Head Teacher
