Foreword

We are pleased to commend the Agreed Syllabus for Religious Education from the 'Agreed Syllabus Conference' (ASC) of the Local Authority (LA) on behalf of the 'Standing Advisory Council for Religious Education' (SACRE) and Redcar and Cleveland Children's Services.

This syllabus has been split into four sections:

- Section 1 covers: Legislation Guidelines, Ofsted guidance, Curriculum Guidance Responsibilities, Alternative Provision and Inclusion.
- Section 2 covers: The Curriculum through Programmes of Study and Assessment to Policies and Planning.
- Section 3 covers: SOW/POS Early Years, KS1 & KS2
- Section 4 covers: SOW/POS KS3, KS4 & KS5

It is the outcome from the five-year statutory review process carried out by the Redcar and Cleveland ASC. The revision of the Agreed Syllabus provides a framework for Redcar and Cleveland schools to take Religious Education forward in the next five years.

We believe this Agreed Syllabus will not only help teachers as they deliver good quality Religious Education in our MATs, standalone Academies and Maintained Schools geographically positioned within the LA, but will also enhance the spiritual, moral, social and cultural development of all pupils.

We are particularly pleased to note the emphasis put on continuity and progression within and between Key Stages, Inclusion, and the vital role Religious Education plays in encouraging race equality and community cohesion. May we take this opportunity to thank all those involved in the process of revision, particularly all the teachers and SACRE members who made such valuable contribution to the review and consultation process.

Foreword from the Chair of SACRE

We welcome you to the Redcar and Cleveland LA Agreed Syllabus for Religious Education.

The review of this syllabus has taken place over the last academic year and I would like to thank the teachers and members of SACRE, who have been prepared to give their time and to share their expertise and good practice in drafting and reviewing the Redcar & Cleveland LA Agreed Syllabus. I also would like to thank the teachers within the wider LA education providers who have also contributed with their knowledge and practice in teaching RE.

As a community, we are aware of the responsibility we have, to provide the best educational opportunities for our young people to become enthusiastic and responsible members of society, with the ability to contribute economically and socially in the modern world. The key values of religions have contributed to building our inclusive society and this revision of the Agreed Syllabus introduces to young people worldview values and beliefs. The Agreed Syllabus enables teachers, faith communities and others engaged in the education of our young people to identify and access these values and to gain insights into the human condition and what it is like to live in contemporary society.

As the 'Review of Religious Education in England' by the Religious Education Council of England and Wales points out, Religious Education teaching "should equip pupils with systematic knowledge and understanding of a range of religions and worldviews, enabling them to develop their ideas, values and identities. It should develop in pupils an aptitude for dialogue so that they can participate positively in our society with its diverse religions and worldviews.¹"

Development of Religious Education in Redcar and Cleveland is the responsibility of the Standing Advisory Council on Religious Education (SACRE) and we work in close partnership with the Local Authority. We continue to welcome representatives of religious bodies and teachers to be part of SACRE. If you would like to be considered as a member of SACRE please contact:

B. Early Years Foundation Stage

The Early Years Foundation Stage describes the phase of a child's education from the age of three to the end of reception at the age of five. Religious Education is statutory for all pupils registered on the school roll and is therefore **compulsory for all reception children** unless withdrawn by their parents.

The statutory requirement for Religious Education does not extend to nursery classes in maintained schools. It may, however, form a valuable part of the educational experience of children throughout the key stage.

Pupils should encounter religions and worldviews through special people, books, times, places and objects and by visiting places of worship. They should listen to and talk about stories. Pupils can be introduced to subject specific words and use all their senses to explore beliefs, practices and forms of expression. They ask questions and reflect on their own feelings and experiences. They use their imagination and curiosity to develop their appreciation of and wonder at the world in which they live.

In line with the DfE's 2013 EYFS Profile, RE should, through planned, purposeful play and through a mix of adult-led and child-initiated activity, provide these opportunities for pupils.

Communication and language:

- Children listen with enjoyment to stories, songs and poems from different sources and traditions and respond with relevant comments, questions or actions.
- Use talk to organise, sequence and clarify thinking, ideas, feelings and events.
- Answer 'who', 'how', and 'why' questions about their experiences in response to stories, experiences or events from different sources.
- Talk about how they and others show feelings.
- Develop their own narratives in relation to stories they hear from different traditions.

Personal, social and emotional development:

- Children understand that they can expect others to treat their needs, views, cultures and beliefs with respect.
- Work as part of a group, taking turns and sharing fairly, understanding that groups of people, including adults and children, need agreed values and codes of behaviour to work together harmoniously.
- Talk about their own and others' behaviour and its consequences, and know that some behaviour is unacceptable.
- Think and talk about issues of right and wrong and why these questions matter.
- Respond to significant experiences showing a range of feelings when appropriate.
- Have a developing awareness of their own needs, views and feelings and are sensitive to those of others.
- Have a developing respect for their own cultures and beliefs, and those of other people.
- Show sensitivity to others' needs and feelings, and form positive relationships.

Understanding the world:

- Children talk about similarities and differences between themselves and others, among families, communities and traditions.
- Begin to know about their own cultures and beliefs and those of other people.
- Explore, observe and find out about places and objects that matter in different cultures and beliefs.

Expressive arts and design:

- Children use their imagination in art, music, dance, imaginative play, and role-play and stories to represent their own ideas, thoughts and feelings.
- Respond in a variety of ways to what they see, hear, smell, touch and taste.

Literacy:

- Children are given access to a wide range of books, poems and other written materials to ignite their interest.

Mathematics:

- Children recognise, create and describe some patterns, sorting and ordering objects simply.

Some Points to Note

- Whilst there are clearly strong links between RE and personal, social and emotional development, it must be noted that RE must contain appropriate and explicit references to religions, through the study of religious beliefs and practice.
- Planning in RE at the Early Years Foundation Stage should take account of the relevant EYFS developmental stages. Children should be given opportunities to engage with religious material and reflect on their own experiences and feelings.
- A wide range of experiences and learning activities should be offered that will support the achievement of the EYFS developmental stages, e.g. using pictures, objects, videos, visitors and visits, stories and poems, circle time, role-play, dance, music, art, craft, computing.
- All children should be included in RE, whether they belong to a faith community or not. Care should be taken in the use of language, activities and materials to ensure that all children can be included and any stereotyping is challenged (e.g. avoid saying, 'We all believe').
- Whilst children will take part in role-play and re-enactments and will learn about religious practices in an interactive way, it must be made clear that they are not 'celebrating' a religious practice at school or taking part in the worship of a faith community whilst at school. Role-play and empathy are not the same as a celebration within a religious community, and RE in school is not about nurturing children into a faith.
- Pages 7 - 18 give some examples of a focus for RE for Nursery and Reception, with suggestions for appropriate activities and links to the EYFS developmental stages. These demonstrate progress by the end of Reception, and teachers should use the stages of learning and development from the Early Years Foundation Stage framework.

Links to Concepts of Religion

The four concepts or strands of religion which underpin this Agreed Syllabus are exemplified in the topics for the Early Years Foundation Stage:

Belief Beliefs about God shown in creation stories and special times

Teachings/Authority Special Books
 Special Stories

Foundation Stage 1 Exemplar Planning

Understanding of the World:

People and Communities

- Remembers and talks about significant events in their own experience.
- Recognises and describes special times or events for family and friends.
- Shows interest in different ways of life.

Technology

- Knows that information can be retrieved from computers.

Personal, Social and Emotional Development:

Self confidence and Self Awareness

- Confident to talk to other children when playing, and will communicate freely about own home and community.

Provide hand lenses for children to look at the food.

Compare their paintings with reproductions of famous still life works.

Do observational drawings or paint pictures of the fruit/vegetables.

Ask children to name the colours of fruit/vegetables and describe their textures.

Show a selection of harvest fruit and vegetables. Explore using all /the senses.

Create a fruit and vegetable role play stall.

Role play preparing meals in the home corner.

Make up a thank-you prayer to God for our food.

Write fruit and vegetable shopping lists in the kitchen/ role play area.

Sing colour/ harvest related songs, e.g. 'Colours of the Rainbow'.

Talk about saying thank you, e.g. who, when, why.

Watch video clips of harvest festivals.

Participate in a Harvest festival or assembly.

Read stories related to harvest, e.g. The Enormous Turnip.

Create a paper plate collage of children's favourite meal. Talk about where the vegetables come from.

Topic: Special Times

Focus: Harvest

Religion: Christianity

Explore and wash fruit and vegetables with different sized brushes in the water area.

Communication and Language:

Listening and attention

- Listen to stories with increasing attention and recall.
- Joins in with repeated refrains and anticipates key events and phrases in harvest stories.

Speaking

- Use vocabulary focused on objects and people that are of particular importance to them.

Literacy

Reading

- Listen to stories with increasing attention and recall.
- Joins in with repeated refrains and anticipates key events and phrases in harvest stories.
- Suggests how the story might end

Writing

- Sometimes gives meaning to marks as they draw and paint.

Expressive Arts and Design:

Exploring and using media and materials

- Beginning to be interested and describe the texture of things.
- Sings a few familiar songs.
- Understands that they can use lines to enclose a space, and then begin to use these shapes to represent objects.
- Explores colour and how colours can be changed.

Being Imaginative

- Engages in imaginative role play based on own first-hand experiences.
- Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.

Learn some simple Christmas songs.

Look at video clips of families preparing for Christmas in their homes. Talk about their observations and encourage children to talk about their own Christmas preparations at home or preparations for another celebration, as appropriate.

Create a Christmas texture tray for children to explore and use words to describe. Include symbolic ornaments including different sized stars and possibly the nativity figures.

Involve the children in decorating a Christmas tree in the classroom. Include amongst the decorations, symbolic ornaments such as a star and an angel.

Create decorations together for school or home. Include bright, shiny materials and remind children about special aspects of the Christmas story such as the bright star.

Draw or paint pictures from the story and retell part or all of the story in their own words.

Set up a simple nativity scene with the main figures from the Christmas story. Tell the Christmas story using the figures and refer at times to illustrations in a simple children's Bible. Then explain briefly that Christmas is the time when Jesus' birthday is celebrated.

Topic: A Special Story

Focus: Why do we celebrate Christmas?

Religion: Christianity

Plan a Christmas party with the children and remind them that the reason for the party is to remember Jesus' birth.

Make a simple gift for family members such as a cake. Talk about the Christmas story and remind the children that the wise men took three special gifts to Jesus. What would they give to Jesus?

Provide a variety of Christmas cards including ones with religious pictures.

Display the nativity with Christmas story books in a quiet area so that children can reflect on the story independently.

Provide dressing up clothes so that children can act out the story.

Communication and Language:

Listening and attention

- Listen to stories with increasing attention and recall.
- Joins in with repeated refrains and anticipates key events and phrases in stories.

Speaking

Expressive Arts and Design:

Exploring and using media and materials

- Beginning to be interested and describe the texture of things.
- Sings a few familiar songs.

Being Imaginative

- Engages in imaginative role play based on own first-hand experiences.
- Notices what adults do, imitating what is observed and then doing it spontaneously when the adult is not there.
- Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.

Foundation Stage 1 Exemplar Planning

Understanding of the World:

People and Communities

- Shows interest in different ways of life.
- Shows interest in the lives of people who are special to them.
- **Knows some of the things that make them unique**, and can talk about some of the similarities and differences in relation to friends or family.

Technology

- Knows that information can be retrieved from computers.

Personal, Social and Emotional Development:

Self confidence and Self Awareness

- Confident to talk to other children when playing, and will communicate freely about own home and community.
- Is more outgoing towards unfamiliar people.

Circle time: What people are special to them? Bring in pictures of special people to them and say why they are special.

Circle time: How do children show love to others? How do people show love?

Play some hymns/ songs that Christians sing about Jesus e.g. 'Shine, Jesus Shine'.

Topic: Special People

Focus: Jesus

Religion: Christianity

Circle time: How do children show love to others? How do people show love?

Read some stories that Jesus told e.g. **The Good Samaritan** and talk to the children about how He wanted other people to help each other.

Tell children what Jesus preached about - I love.

Tell a story about Jesus e.g. calming the storm, walking on water, healing the paralysed man, and talk about why Christians see Jesus as special.

Show some pictures, statues, icons of Jesus from around the world. What do children see? What kind of person do they think Jesus was?

Ask someone from the Christian Church to come and read a story about Jesus to the children and talk about why Jesus is special to them.

Communication and Language:

Listening and attention

- Listen to stories with increasing attention and recall.
- Listens to others in small groups.

Speaking

- Begin to use more complex sentences to link thoughts.
- Uses talk to connect ideas, explain what is happening and anticipate what might happen next, recall and relive past experiences.

Literacy

Reading

- Listen to stories with increasing attention and recall.
- Describes main story settings, events and principal characters.

Expressive Arts and Design:

Exploring and using media and materials

- Sings a few familiar songs.
- Uses various construction materials.

Being Imaginative

- Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.

Foundation Stage 1 Exemplar Planning

Understanding of the World:

People and Communities

- Shows interest in different ways of life.
- Recognises and describes special times or events for family or friends.

The World

- Can talk about some of the things they have observed such as plants, animals, natural and found objects.
- Developing an understanding of growth, decay and changes over time.
- Show care and concern for living things and the environment.

Technology

- Knows that information can be retrieved from computers.

Personal, Social and Emotional Development:

Self confidence and Self Awareness

- Confident to talk to other children when playing, and will communicate freely about own home and community.
- Is more confident in new social situations.

Go on a spring walk and look out for signs of new life in the natural environment. Take photos to view later in the classroom and talk about the visit. Give opportunities for children to respond to the visit through drawing, play-dough, painting.

Make some observational drawings, paintings and collages of spring flowers and plants.

Watch video clips of springtime to see the process speeded up.

Focus on the eggs and baby birds. Imagine what it would be like inside the egg.

Act out the process of new life - pretend to grow roots, shoots, leaves and a flower.

Act out being inside the egg and then pecking your way out, using a piece of music as a stimulus for the children.

Make Easter cards with the children showing pictures of new life and then children to be encouraged to mark make a message/ copy their name.

Topic: Special Times

Focus: Easter- signs of new life

Religion: Christianity

Make an Easter garden together or the adult to make one to share with the group.

Using a simple children's Bible (e.g. The Beginners' Bible), tell the Easter story. Ensure you tell the children the "happy ending" that Jesus came alive again. Include the stone being rolled away and roll an Easter egg to each other in the group. Finish by cracking the egg open to reveal a surprise inside! Talk about the story together.

Observe how cut daffodils flower and then die. Talk about why this happens.

Communication and Language:

Listening and attention

- Listen to stories with increasing attention and recall.

Speaking

- Begin to use more complex sentences to link thoughts.
- Can retell simple past event in the correct order.

Literacy

Reading

- Listen to stories with increasing attention and recall.
- Shows interest in illustrations and print in books.

Writing

- Sometimes gives meanings to marks as they draw and paint.

Expressive Arts and Design

Exploring and using media and materials

- Imitates movement in response to music.
- Explores colour and how colours can be changed.
- Uses various construction materials.

Being Imaginative

- Captures experiences and responses with a range of media, such as music, dance and paint and other materials or words.
- Creates movement in response to music.

Self confidence and Self Awareness

- Confident to talk to other children when playing, and will communicate freely about own home and community.
- Is more outgoing towards unfamiliar people and more confident in new social situations.

Making Relationships

- Can play in a group, extending and elaborating play ideas e.g. building up a role play activity with other children.

Role play various people who help us using dressing up clothes/objects, e.g. lollipop uniform, aprons, dinner trays in kitchen area, laptop/ telephone in play office.

Invite some people to visit in their special uniforms, e.g. school cook, lollipop person, representative from fire and police service, lifeboat person. Talk about their special clothing and how they help us.

Visit school office to find out their special role in school. Link with a listening walk to listen for different things in a school office.

Topic: Special People in the community

Focus: Who is special to us?

Religion: Christianity

Look at non-fiction books about people who help us.

Look at video clips of religious leaders in their role/helping in the community.

Create a picture gallery of the special people who have visited, including photographs, paintings and drawings.

Invite local religious leaders to visit the classroom. Start with familiar people that already visit to take occasional assemblies. Ask them to come in special robes or uniform, if appropriate, and to bring artefacts important to their role in the community, e.g. Bible, cross.

Communication and Language:

Listening and attention

- Listen to others in small groups.

Speaking

- Begin to use more complex sentences to link thoughts.
- Uses talk to connect ideas, explain what is happening and anticipate what might happen next, recall and relive past experiences.
- Builds up vocabulary that reflects the breadth of their experiences.

C. Key Stage One

Throughout Key Stage 1, pupils explore Christianity and at least one other principal religion. Pupils should develop their knowledge and understanding of religions and worldviews, recognising their local, national and global contexts. They should use basic subject specific vocabulary. They should raise questions and begin to express their own views in response to the material they learn about and in response to questions about their ideas.

More specifically pupils should be taught to:

- Recall and name different beliefs and practices, including festivals, worships, rituals and ways of life, in order to find out about the meanings behind them.
- Retell and suggest meanings to some religious and moral stories, exploring and discussing sacred writings and sources of wisdom and recognising the traditions from which they come.
- Recognise some different symbols and actions which express a community's way of life, appreciating some similarities between communities.
- Ask and respond to questions about what individuals and communities do, and why, so that pupils can identify what difference belonging to a community might make.
- Observe and recount different ways of expressing identity and belonging, responding sensitively for themselves.
- Notice and respond sensitively to some similarities between different religions and worldviews.
- Explore questions about belonging, meaning and truth so that they can express their own ideas and opinions in response using words, music, art or poetry.
- Find out about and respond with ideas to examples of co-operation between people who are different.
- Find out about questions of right and wrong and begin to express their ideas and opinions in response.

Breadth of study

During the key stage, pupils should be taught the knowledge, skills and understanding through the following areas of study:

Religions and beliefs

- Christianity;
- at least one other principal religion;
- a religious community with a significant local presence, where appropriate;
- a secular world view, where appropriate.

Themes

- believing: what people believe about God, humanity and the natural world;
- story: how and why some stories are sacred and important in religion;
- celebrations: how and why celebrations are important in religion;
- symbols: how and why symbols express religious meaning;
- leaders and teachers: figures who have an influence on others locally, nationally and globally in religion;
- belonging: where and how people belong and why belonging is important;
- myself: who I am and my uniqueness as a person in a family and community.

Experiences and opportunities

- visiting places of worship and focusing on symbols and feelings;
- listening and responding to visitors from local faith communities;
- using their senses and having times of quiet reflection;
- using art and design, music, dance and drama to develop their creative talents and imagination;
- sharing their own beliefs, ideas and values and talking about their feelings and experiences;
- beginning to use COMPUTING to explore religions and beliefs as practised in the local and wider community.

Planning at Key Stage 1

RE should be taught continuously throughout Key Stage 1 and with **sufficient curriculum time** allocated to cover the programme of study, assumed to be no less than 5% (minimum 36 hours per year).

When planning a Scheme of Work, teachers should devise an overall **key question for each unit** (refer to Exemplar Long-Term Plan on page 21). **Key content** from the relevant programme of study should then be identified.

The Assessment Statements (pages 33-34) should be used at the start of Medium-Term Planning for each unit of work in order to identify the appropriate pitch (what pupils will be expected to know, understand and do). Pupils at KEY STAGE 1 are *generally* working within the age-related expectations for the END OF YEAR 2.

Lesson Questions should be devised for each lesson, which help answer the key unit question and take account of skills and attitudes.

The exemplar Long-Term Plan for KEY STAGE 1 on page 21 has a one single religion focus for each unit. This avoids confusion for young pupils and enables them to learn what is distinctive about a religion.

Year 1		Why is Jesus special to Christians?		Spring
Learning Objectives	Activities	Links to other subjects	Resources	
<p>To show some understanding that for Christians Jesus is special.</p> <div><p>Key words</p><p>Special, Jesus, Christians, caring, friendship, healing, God, power, Bible, teacher, parable.</p></div>	<p>Discuss with children the special people in their own lives - parents, teachers, friends etc. Invite children to a draw gallery of special people. Ask why these people are special to them. Are there some comments which can apply to all the children's special people?</p> <p>Talk about Jesus helping and caring for others. Think about ways in which Jesus was a special friend to others. Discuss his friendships and relationships with others. Christians believe that Jesus' power also includes the ability to heal people. Share with children the story of the blind beggar (Luke 18:35-43). Stress to the children that the blind beggar wanted to see.</p> <p>Talk about the friends and followers of Jesus. Establish that for most Christians, Jesus is more than a special person. He is God. Explore Christian beliefs about the nature of God. Most Christians believe that God has power over nature. Look at Bible stories where Jesus displays this power. Share with children the story of Jesus calming the storm (Mark 4:35-41) where Jesus displayed his power over nature.</p> <p>Create or listen to some storm music - talk about a time when they were frightened by the weather.</p> <p>Inform children that Christians believe that Jesus was a special teacher. Contrast the circumstances of your teaching with those of Jesus. Jesus taught people of all ages, either individually, in smallish groups or large crowds. Usually he taught outside, or in people's houses or in the Temple. He taught people about God by telling them stories. Share with children the parable of the Lost Coin (Luke 15:8-11). Talk about what makes a good teacher.</p>	<p>Drama – role play</p> <p>Music</p>	<p>Christians in School Trust – Primary Vision – Key Stage Map – KEY STAGE 1 – Jesus A Special Person.</p>

Year 2	What can we learn from visiting a church?	Summer	
Learning Outcomes	Activities	Links to other subjects	Resources
<p>To identify the main features of a church.</p> <p>To understand the need to show respect for other people and places of worship. To experience and describe the atmosphere of a church.</p> <p>To identify some of the artefacts in a church. Make connections between the features of a church and artefacts and the way they are used by Christians. To identify the parts of a church they think are important and begin to consider why.</p> <p>To give simple explanations about why and how the building is special to Christians. To begin to consider how and why people pray.</p> <div data-bbox="96 1185 595 1372"> <p>Key words Church, altar, pulpit, font, pews, hymn books, hassocks, Bible, lectern, flags, banner, instruments, organ.</p> </div>	<p><u>What is a Church? What is it for?</u> Ask the children to name different buildings, e.g. hospital, school and say what each is used for. Explain that all these buildings have a purpose. Ask the children what the purpose of a Church is? Show pictures of different churches and ask what they know. Ask them to describe the shapes of the windows, porch, door. What do they think is in the tower? What do they think they might find inside the church?</p> <p>Talk about question sentences. List words that a question sentence might begin with. What...Why...When...Can...Ask children to use some of the words to write questions about a church, e.g. Why does a church have a bell?</p> <p><u>Visit a Church</u> Before the visit talk to the children about the way to behave in a church-together make a 'code of behaviour'. On arriving get the children to sit silently in the pews for a short while. What can they see, hear, smell? How does being inside the church make them feel?</p> <p>Show children the main features and artefacts in the church and explain what they are used for. Take photographs and draw pictures. Make rubbings (if permitted) of patterns or textures. Talk about what happens in a church and show where the people sit, pray, sing. Explain that some people kneel or bow their heads to pray and point out the hassocks.</p> <p><u>What makes a church special?</u> Talk about the significant parts of the church and link them to Christian beliefs and actions. Work in groups to plan and make a model of a church and label using words from a word bank. Add a simple explanation of how the building is special to Christians.</p> <p><u>How and when do people pray?</u> Remind children of hassocks, prayer books (use photos) and how people might sit or bow their heads to pray. D. Key Stage Two

Throughout Key Stage 2, pupils learn about Christianity and at least two of the other principal religions, recognising the impact of religion and belief locally, nationally and globally. Pupils should extend their knowledge and understanding of religions and worldviews, recognising their local, national and global contexts. They should be introduced to an extended range of sources and subject specific vocabulary. They should be encouraged to be curious and to ask increasingly challenging questions about religion, belief, values and human life. Pupils should learn to express their own ideas in response to the material they engage with, identifying relevant information, selecting examples and giving reasonings to support their ideas and views.

More specifically pupils should be taught to:

- Describe and make connections between different features of the religions and worldviews they study, discovering more about celebrations, worship, pilgrimages and the rituals which mark important points in life, in order to reflect on their significance.
- Describe and understand links between stories and other aspects of the communities they are investigating, responding thoughtfully to a range of sources and wisdom and to beliefs and teachings that arise from them in different communities.
- Explore and describe a range of beliefs, symbols and actions so that they can understand different ways of life and ways of expressing meaning.
- Observe and understand varied examples of religions and worldviews so that they can explain, with reasons, their meanings and significance to individuals and communities.
- Understand the challenges of commitment to a community of faith or belief, suggesting why belonging to a community may be valuable, both in the diverse communities being studied and in their own lives.
- Observe and consider different dimensions of religions, so that they can explore and show understanding of similarities and differences within and between different religions and worldviews.
- Discuss and present thoughtfully their own and others' views on challenging questions about belonging, meaning, purpose and truth, applying ideas of their own in different forms including (e.g) reasoning, music, art and poetry.
- Consider and apply ideas about ways in which diverse communities can live together for the well-being of all, responding thoughtfully to ideas about community, values and respect.
- Discuss and apply their own and others' ideas about ethical questions, including ideas about what is right and wrong and what is just and fair, and express their own ideas clearly in response.

Breadth of study

During the key stage, pupils should be taught the knowledge, skills and understanding through the following areas of study:

Religions and beliefs

- Christianity
- at least two other principal religions
- a religious community with a significant local presence, where appropriate
- a secular world view, where appropriate

Themes

- beliefs and questions: how people's beliefs about God, the world and others impact on their lives;
- teachings and authority: what sacred texts and other sources say about God, the world and human life;
- worship, pilgrimage and sacred places: where, how and why people worship, including at particular sites;
- the journey of life and death: why some occasions are sacred to believers, and what people think about life after death;
- symbols and religious expression: how religious and spiritual ideas are expressed;
- inspirational people: figures from whom believers find inspiration;
- religion and the individual: what is expected of a person in following a religion or belief;
- religion, family and community: how religious families and communities practise their faith, and the contributions this makes to local life;
- beliefs in action in the world: how religions and beliefs respond to global issues of human rights, fairness, social justice and the importance of the environment.

Experiences and opportunities

- encountering religion through visitors and visits to places of worship, and;
- focusing on the impact and reality of religion on the local and global community;
- discussing religious and philosophical questions, giving reasons for their own beliefs and those of others;
- considering a range of human experiences and feelings;
- reflecting on their own and others' insights into life and its origin, purpose and meaning;
- expressing and communicating their own and others' insights through art and design, music, dance, drama and Computing;
- developing the use of Computing, particularly in enhancing pupils' awareness of religions and beliefs globally.

Planning at KS2

RE should be taught continuously throughout KS2 and with **sufficient curriculum time** allocated to cover the programme of study, assumed to be no less than 5% (minimum 45 hours per year).

When planning a Scheme of Work, teachers should devise an overall **key question for each unit** (refer to Exemplar Long-Term Plan on pages 40 - 41). **Key content** from the relevant KS2 programme of study should then be identified.

The Assessment Statements (pages 33-34) should be used at the start of Medium-Term Planning for each unit of work in order to identify the appropriate pitch (what pupils will be expected to know, understand and do). Pupils at KEY STAGE 2 are *generally* working within the age-related expectations for the END of YEAR 6.

Lesson Questions should be devised for each lesson, which help answer the key unit question and take account of skills and attitudes.

The exemplar Long-Term Plan for KS2 on pages 41 and 42 has some single religion focus units, enabling the continuation of pupils' understanding of the distinctive beliefs and features of the religions studied. In other units, content can be drawn from more than one religion, in order

to illustrate common themes and practices, enabling pupils to consider similarities and differences.

Year 3		What do Hindus believe about God?		Autumn
Learning Outcomes	Activities	Links to other subjects	Resources	
<p>To understand the basic facts of the Hindu religion.</p> <p>To understand what Hindus believe about God.</p> <div><p>Key words</p><p>Brahman, Hindu, Divali, Hindusim, deities, Vishnu, Shiva, Brahma, God, worship, belief, Creator, puja, Shrine, Mandir</p></div> <p><u>Exemplar planning</u></p>	<p>Explain to the children that we are looking at a new religion called Hinduism. If children are familiar with KWL grids, complete one on own otherwise model together and then children have an attempt at one. Children complete a K (what do I know now), L (what do I want to learn), W (what have I learnt) grid. Give children a few photographs of different aspects of the religion as a starting point. (Brahma / Divali scene / wedding). Without explaining the photographs, encourage children to discuss in pairs what they think the pictures show? Discuss together.</p> <p>Using Computing/ books look at the basics of the religion to the children:</p> <ul style="list-style-type: none">• Where did it start?• When did it start?• Where in the world are there believers now?• How many now? <p>Once children are equipped with some basic information, write up in a chosen form e.g. fact sheet.</p> <p>Get children to think of an ice lolly. Discuss that it is made of water and things are added to it. It would all look the same if they were just plain water, but because things are added they are shown differently e.g. add orange colour and flavouring to water and the lolly looks orange / add strawberry colour and flavouring to water and the lolly looks pink. This is similar to the way Hindus believe about God. They believe that there is 1 God (Brahman) but he is shown in different ways. There are three main deities (Brahma, Vishnu and Shiva). Look in depth at each of the three deities. Look at artefacts showing these deities and talk about the characteristics of each one. Children make a fact sheet split into three parts. Children use books / internet to research more about the deities and then present their information found in a written form. This activity will probably need to be done over a few sessions to enable children to research / plan and write their final copy.</p>	<p>Literacy</p> <p>Literacy Speaking & Listening</p>	<p>Espresso resources on the basics of Hinduism</p> <p>BBC website</p> <p>http://www.hinduacademy.org/schools/ks1-3.htm</p> <p>http://www.bbc.co.uk/religion/religions/hinduism/index.shtml (Mainly teacher information)</p> <p>Artefacts</p>

Explain where the shrine would be kept in the house and how it is respected. Go through each item and say why it is significant. In pairs, children create a small scale shrine using a shoe box, showing the significant features.</p> <p>If possible arrange a trip to a Mandir (temple) and explore how Hindus worship together. If it is not possible to visit, use the available computing resources to look at a ‘virtual Mandir’. Explore and look at the features of the Mandir. Look at what happens during the worship and why it is important Hindus worship together in the Mandir. Begin to encourage some simple comparisons between Hinduism and other religions looked at.</p> <p>Children make a presentation, possibly using Computing, to explain the importance of worship, both at home and in the Mandir.</p> <p>At the end of the topic, complete the KWL grid made at the beginning.</p>	<p>Literacy D and T</p> <p>Computing</p> <p>Drama</p>	<p>Woodlands Junior website Espresso Artefacts</p> <p>http://resources.hwb.wales.gov.uk/VTC/ngfl/re/b-dag/ngfl-container/re-unit3-en.html</p> <p>http://www.britishcouncil.org/kids-stories-favourite-day-diwali-popup.htm</p>

Learning Outcomes	Activities	Links to other subjects	Resources
<p>To recognise Advent as a time to prepare for the arrival of Jesus as a special baby.</p> <div> <p>Key words</p> <p>Advent, Jesus, special baby, celebration, Christians, Christmas, wreaths, candles, birth, symbolise, eternal God, Advent calendar</p> </div> <p>Exemplar planning</p>	<p>Talk about what is a 'special occasion'. Thought shower different ideas.</p> <p>Discuss personal experience of celebrations. How do we prepare for them? Using an example of Christmas or a birthday party, discuss together and suggest ways in which we get ready for special occasions e.g. buying special food/ sending invitations / putting up decorations.</p> <p>Explain that Christians also get ready for Christmas in a period of time called Advent ('coming') and that is a time when they prepare for the birth of Jesus.</p> <p>Look at Advent wreaths- evergreen leaves symbolise the eternal nature of God. Discover how there are 5 candles on an Advent wreath to symbolise the four Sundays before Christmas and Christmas day itself. If possible, ask a representative from the Church to show and discuss the wreath, saying a prayer that accompanies the lighting of the candles.</p> <p>Look at different Advent calendars both more commercial and ones with Christian pictures and phrases. Make an Advent calendar using pictures that are symbolic to Christians and reminders of the Christmas stories.</p> <p>Talk about feelings leading up to Christmas day- excitement, wonder. Miracles are special stories where Jesus did something extraordinary. Discuss what the miracles tell us about what Jesus was like as a person, helper, healer, someone to turn to in danger, etc</p> <p>Talk about how the miracles show Jesus' authority and power over nature, sickness, sin. Explore feelings. How would you feel if they (or you) were frightened? Who would you turn to if you were scared? Who are the people you trust? Who would you trust?, e.g. in the community? (Fire fighter, police, etc)</p> <p>Tell children about/ read different types of miracles, e.g. Calming the storm, Jairus's daughter, Paralysed man.</p> <p>Using a variety of ways, explore different miracles. Depending on time, a number of miracles could be explored over a few weeks, by focusing on one per session. Example activities could be:</p> <ul style="list-style-type: none"> • Create art to show a miracle e.g. painting the stormy sea and calm sea. • Drama to role play a miracle • Write a newspaper article from a particular viewpoint to describe a miracle. 	<p>Literacy</p> <p>Speaking and listening</p> <p>PSE</p> <p>Art</p> <p>Drama</p> <p>Children's Bible</p> <p>Espresso resources on storms, etc.</p> <p>www.reonline.org.uk</p> <p>Jesus the healer</p> <p>RE websites</p>

Vicar/ minister to tell children their favourite Bible story.</p> <p>Why do Christians use the Bible? Explain that it is a book about God and Jesus, so Christians use it so they can follow God, just as someone who is interested in football would have a football book. Guidance- similar to a map, guide book. Make maps; do orienteering, following a map.</p> <p>Bible is special as it is used across the world by all Christians.</p> <p>Investigate holy books in another/ other religions, e.g. Qur'an (Islam), Guru Granth Sahib (Sikhism), Torah (Judaism), Vedas (Hinduism), Tipitaka/ Tripitaka (Buddhism).</p>	<p>Literacy</p> <p>Children's Bible</p> <p>Selection of Bibles</p> <p>Maps</p> <p>Outside visitor- vicar/ priest/ minister</p> <p>Bible on Espresso</p> <p>Online resources</p>

Year 3	How do Jesus' parables help Christians live their lives?	Summer	
Learning Outcomes	Activities	Links to other subjects	Resources
<p>To be able to re-tell some stories Jesus told and explain what they mean to Christians</p> <div data-bbox="112 997 611 1276"> <p>Key words</p> <p>Parables, message, teaching, neighbour</p> </div> <p>Exemplar planning</p>	<p><u>What is a parable?</u> Children bring a special book from home. Why is it special? Parables are special stories that Jesus told to teach people an important message. Teachers could present each parable in a special gold box with simple props to show how special it is. Idea shower any parables the children know already and what they mean.</p> <p>Read various parables to children/watch video clip, in each case deciding what Jesus was trying to teach through the story, e.g. Good Samaritan, Sower, Lost Sheep, Rich Fool.</p> <p><u>The Good Samaritan</u> Re-enact the story in small groups, stopping to discuss feelings/actions of different characters. Why did they act in that way? Have children ignored someone who needs help? How could we have made a better choice? On a cut out hand, write 5 things that we are going to do to help someone this week.</p> <p><u>The Sower</u> Plant seeds discussing what plants need to grow best. Put one pot of seeds in the dark, one without water and give last one light and water. Which pot do you think will grow best? Watch and observe, explaining that plants need love and goodness to grow: just like Christians need love and goodness from God.</p> <p><u>Lost Sheep</u> Hide a sheep with each child's name on it. Children search for a sheep and give it to the person named. How did it feel when you were 'found'? Play the memory game in groups with 10 objects, removing one object after children have looked at it. Children guess the missing object. Explain that God thinks everyone is special regardless of who we are. Children write down 1 way they are special on a sheep and discuss.</p> <p><u>Rich Fool</u> Teacher assumes role of rich fool; the children are servants. At their master's command, the servants harvest crops, demolish and construct barns. Upon completion, they make an inventory of and store their master's other possessions. Discuss with the children what the farmer could have done with his crop instead of putting it in storage. Christians believe that being greedy is wrong. Unlike the farmer, Christians should think about the needs of other people and remember always to thank God for what they have got. The children could write an alternative version of the parable.</p>	<p>Speaking and Listening</p> <p>Science</p> <p>PSHE</p> <p>Drama</p> <p>Literacy</p>	<p>http://www.dltk-bible.com/cv/jesus_tells_stories.htm Espresso</p> <p>http://gardenofpraise.com/bibl255.htm</p> <p>www.request.org.uk</p> <p>3D Parables of Jesus, by Hudson and Kennedy (Authentic Lifestyle, ISBN 9781860245053)</p> <p>Plants pots, seeds, soil, water.</p> <p>Sheep, memory game objects, blank sheep</p>

Year 4	Why is Lent such an important time for Christians?		Spring
Learning Outcomes	Activities	Links to other subjects	Resources
<p>To understand why Lent is important to Christians.</p> <div><p>Key words</p><p>Shrove Tuesday, pancakes, Lent, devil, Ash Wednesday, dust, Roman Catholic, desert, ashes, sin, Gospel, faithful, temptation, Easter, prepare, Jesus, sacrifice, redemption, fast.</p></div>	<p>What is Shrove Tuesday? What was it traditionally for? Make pancakes and enjoy them. Explore the meaning of the name ‘Shrove Tuesday’. Explore different customs around the world, e.g. Mardi Gras.</p> <p>What is Ash Wednesday? What do Christians do on Ash Wednesday? Why is the day important? Some Christians receive ashes on their foreheads. ‘Remember you are dust and unto dust you will return.’/ ‘Turn away from sin and be faithful to the Gospel.’ Look at some photos or videos about what happens in this service. You could also invite someone in from a local Church to talk about this service.</p> <p>Explore the 40 days of Lent and how Christians prepare for Easter. Using a video/ DVD/ photographs, discuss what happened to Jesus in the desert. Why did he spend 40 days there? From looking at a Bible and from a Christian perspective think about these questions: What did Jesus find hard? Why did God ask Jesus to go to the desert? What does this teach Christians?</p> <p>Discuss how Christians prepare for Easter, e.g. giving up something, Lent course, doing something positive, giving to charity, fasting. In churches- no flowers, colours – purple.</p> <p>Information learnt about Lent could be recorded in a variety of ways, to link in with other subjects e.g. PowerPoint / poster/ fact sheet</p>	DT	<p>Flour, eggs, milk</p> <p>Woodlands Junior school website</p> <p>Bible/ stories of Jesus’ temptations</p>

Year 4		What can we learn about symbols and beliefs from visiting religious buildings?		Summer
Learning Outcomes	Activities	Links to other subjects	Resources	
<p>To understand that the value placed on objects and experience varies, that what people regard as precious reveals their underlying values and links to how they live their lives.</p> <p>To be able to classify different types of religious buildings and objects .</p> <p>To understand that beliefs, ideas and feelings can be expressed in a variety of ways.</p> <p>To be able to describe what sorts of things are found in religious buildings.</p> <p>To understand the significance of religious buildings and objects for believers</p> <div><p>Key words</p><p>Value, symbol, belief, precious, concrete, intangible, Church, mosque, temple, synagogue, mystery, awe, worship, respect</p></div>	<p><u>What do we value?</u> Children identify things that are precious, both concrete (jewels, gold) and intangible (happiness, joy). Group suggestions into categories, eg things which are worth a lot of money, things money cannot buy, things made from valuable materials, things to do with families. Show children a 'box of treasures' with personal meanings, eg photographs, wedding rings, old toys. Children list 10 things they would put in their spiritual treasure box with reasons for choice. Share list with partner who uses it to work out what the person values. Explore how objects have a value because of the links they have to personal experience.</p> <p><u>What do the religious buildings show about what the religious community value?</u> Show children pictures of some religious building exteriors. Children choose one elaborate and one simple building, suggest words to describe each picture. What do the words show about the differences between the two religious buildings? Do you think different things are of value, e.g. simplicity, grandeur, display? Show pictures of things they will find in the two different types of building. Children sort the objects into groups for each of the two buildings and give reasons for their decisions, e.g. things that are friendly/intimate, mysterious/awesome. Are the groups the same for the two buildings? Explore the reasons for their answers.</p> <p><u>What can we learn from a visit to a religious building?</u> Arrange a visit to two religious buildings. This may be two Christian buildings e.g. Catholic/Orthodox/ High Church Anglican and non-conformist, e.g. Baptist/Methodist/Quaker meeting house. It may be e.g. a mosque, gurdwara, Sikh temple, synagogue, Buddhist temple. Discuss how children should behave and what they will do on the visit. During the visit, children to select/draw 6 to 10 things that they think are the most important things in the building, e.g. altar, windows, a cross, and note why they think they are important, e.g. size, position in the building. Talk about what makes things friendly/intimate, and what makes them mysterious/ awesome. What is the overall impression of the building? Is it mysterious? Is it light? Does it make people feel part of a group? Explain, or ask a member of the religious building to explain, the significance of the different objects, and why they are in particular places. Children to record their findings. Talk about things that enable members to worship as a group and those which enable them to worship individually. Is the religious building organised for people to listen, to kneel, etc? How does the layout relate to the beliefs of the people who worship there?</p>	<p>Speaking and Listening</p>	<p>Precious objects</p> <p>Photographs of different denomination churches and other religious buildings</p> <p>Virtual tours of religious buildings</p>

Children could design a ‘wanted poster’ for a great Mum or Dad (or both or another carer’ depending on individual circumstances in the class.</p> <p>Talk to the children that the events surrounding Jesus’ birth encompassed rich and poor alike.</p> <p>Talk about the different type of gifts –what is gift? Love, joy, peace. Can these be bought, or only given? Children think of a gift they could give mum (or someone) that didn’t involve retail outlets of any kind.</p> <p>Compare the different visitors who came to see Jesus: the shepherds and the Magi (kings) Who were the shepherds? Poor, uneducated, distanced from the goings on beyond their village. The Magi –the other extreme, wealthy, educated, articulate. This birth had already drawn people together - a leveller. What does this tell Christians about Jesus and the relationship they can have with Jesus? Look at the carol ‘In the Bleak Midwinter’ which describes this.</p> <p>Children could maybe write a personal diary account from the perspective of one of the visitors e.g. a shepherd describing what it was like to be visited by an angel and leave their sheep – most precious possession and visit the baby.</p>	<p>Literacy</p> <p>Children’s Bible</p> <p>Images of the visitors ‘In the Bleak Midwinter’ carol.</p>

<p>To understand what happened at the Last Supper.</p> <p>To understand how Jesus prepared his friends for his death and showed them how they could think about him frequently.</p> <p>To understand how Jesus showed his friends he was there to serve by washing their feet.</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>Key words Jesus, disciples, Passover, Jerusalem, exodus, meal, body, blood, communion, symbol, Last Supper, washing, serving, death, friend</p> </div>	<p><u>AT 1 Learning about</u> A retelling of the Exodus to remind children of why so many people were in Jerusalem. Highlight the symbolic aspects of the meal –What did Jesus use as a focus in the meal? Make connections with communion.</p> <p>Why are symbols used so much as reminders?</p> <p>Look at a selection of paintings depicting the Last Supper; children will be able to see differences of style, period etc but they will see the disciples surrounding Jesus with bread and wine on the table. Talk about what these paintings show and what they mean to Christians/</p> <p>Read two different versions of story –John 13: 1-17 and Mark 14: 12-26– discuss the focus of each text.</p> <p><u>AT2 Learning from</u> Role play –washing Disciples feet –use John’s gospel to find out why. Learning Outcomes	Activities	Links to other subjects Resources
<p>To understand that Christians believe there is only one God and that he made us in his image</p> <p>To understand that Christians believe God created the world in 6 days and on the 7th day he rested</p> <p>To understand that there are different viewpoints to how the world was created and it is important to respect each others views.</p> <p>To understand that Christians believe that God left the world in people's care – Stewardship.</p> <div data-bbox="112 1007 613 1227" style="border: 1px solid black; padding: 5px;"> <p>Key words Creator, live, Creation, God, image, belief, evolution, Stewardship, conservation, preservation, protect, world, nature</p> </div>	<p><u>AT1 Learning about</u> Read/ listen to/ watch the Christian creation story. Children could make a cartoon strip, create a piece of drama or art to show the story.</p> <p><u>AT2 learning from</u> Christians believe the creation story is how the world was made. What do other people believe? At this point discuss the views of Evolution, making a clear link with Humanism (“Humanists think the best way to find answers is to ask questions and look for clues, using science to study nature, rocks and the universe” Taken from a document of the Scottish Humanism website). This provides a really good opportunity to debate - Creation versus the theory of Evolution Prior to this children need to have the opportunity to research evolution and be given points to consider before putting their arguments.</p> <p><u>AT2 learning from</u> ‘We have a responsibility to care for the world.’ Do you have to believe in God to follow this? Children consider people who create things (it may be personal, a parent/relative who creates something) there are many things which are created some are practical others purely for pleasure. How did God feel when he had finished creating the earth? How do they feel when they have created something? How would they feel if it wasn't treated well? Children can work in groups to research into conservation charities to find ways to protect our world. As a group then children can present their findings to the rest of the class.</p>	<p>Literacy shared /guided reading public speaking</p> <p>Science Geography global warming</p> <p>Bibles – creation story www.request.org.uk/main/basics/god/god01</p>

Year 5		Why and how do Christians celebrate Pentecost?		Summer
Learning Outcomes	Activities	Links to other subjects	Resources	
<p>To know when Christians celebrate Pentecost and understand what happened at the first Pentecost.</p> <p>To understand the significance of the symbols associated with the Holy Spirit. To know what Christians believe about God, the Trinity and the Holy Spirit.</p> <p>To understand the significance of the events of Pentecost on the history of the church.</p> <div><p>Key words</p><p>Pentecost, Holy Spirit, 'speaking in tongues', Holy Trinity,</p></div> <p><u>Exemplar planning</u></p>	<p>Discuss significance of when Pentecost is celebrated in relation to Easter – seventh Sunday after Easter, 10 days after Ascension. Read account of the first Pentecost in Acts 2. Who had Jesus told the apostles to wait for? What happened when the Holy Spirit filled the believers? How would you feel if you could suddenly speak five different languages? Why do you think the Holy Spirit gave them this gift? How did it help them? They were able to spread Jesus' message in any language to anyone. Children can make a comic strip of the first Pentecost story.</p> <p>Read / listen to the Nicene Creed (Christian statement of beliefs widely used in liturgy) and focus in on the Holy Trinity - the belief that three different aspects make up God: the Father, the Son and the Holy Spirit. What is the Holy Spirit? Explore the significance of the symbols of the Holy Spirit – red, flames, dove, wind. Look at a picture / video of someone flying a kite. What is it that keeps the kite up there? Have you ever seen the wind? So, how do we know it's there? Explore the idea that the Holy Spirit is like the wind – it can't be seen but Christians know it's there. Children can represent the symbols of the Holy Spirit through art, then make their own trinity symbol, considering three things that make them up as a person.</p> <p>Look at a calendar – it reminds us of important events, e.g. birthdays. Pentecost is an important date on the Christian calendar because it marks the day that the very first church was born. Why is Pentecost known as the birthday of the Christian church? Discuss the idea that that a church is not a building, it is made up of people who believe in Jesus. Every person that believed in Jesus that day were part of the first group of people who heard Peter's message and believed. After this day, the new believers gathered together regularly to hear the disciples teach about Jesus, to worship and prayer. Now the Christian church reaches all over the world. What if Pentecost hadn't happened? <p>To think about different famous people and why they are famous</p> <p>To find out the basic facts of the Buddhist religion.</p> <p>To identify key events in the life of the Buddha.</p> <p>To understand why the life of the Buddha is important for Buddhists.</p> <div data-bbox="91 695 593 959"> <p>Key words Buddhism, Buddha, The Four Noble Truths, Five Moral precepts, Noble Eightfold Path, enlightened, meditation, Nirvana, wheel of life</p> </div>	<p>Play 'Guess the post it person' game. Write a famous person on a post-it and child puts it on their forehead. They then have to ask the other children questions to gain clues of who their famous person is. Then children make a list of famous people. Get children to discuss why these people are famous and whether they were famous from birth or whether they found their fame later in life.</p> <p>Introduce the religion Buddhism. Using a mixture of different research sources (books / internet/ whole class teaching) , children find out the basics of the Buddhist religion. This can be adapted in a way to suit the class but could involve dividing the children into groups and giving them a particular topic to research and then presenting back to the rest of the class. Read the story of the events surrounding the life of Buddha. Children to read and illustrate the story of the life of Buddha, perhaps through a cartoon strip.</p> <p>How do we try to live our lives in a good way? Where do we get guidance from? (e.g. school rules / laws of the land, etc) Explain and discuss with the children the teaching of the Buddha. How did he teach others to live a good life? Year 6	How do Buddhist beliefs affect the way Buddhists live their lives?	Autumn
Learning Outcomes	Activities	Links to other subjects Resources
<p>To understand the significance of the Buddhist shrine and how Buddhists can worship at home.</p> <p>To explore how Theravadin Buddhists express their faith.</p> <p>To explore the concept of community in the Buddhist tradition and beyond.</p> <div data-bbox="98 1027 602 1292"> <p>Key words Buddhism, Buddha, temple, shrine, monks, candles, incense burner, statues, puja, Theravasin tradition, alms bowl, robe.</p> </div>	<p>Make a thought shower of places where quiet, respectable behaviour is necessary, e.g. library, church, mosque, etc. Talk to the children and show a video / photographs of Buddhist worship. Look at the items used in worship and discuss their purpose and significance. How is this similar and different to other religions?</p> <p>If possible, arrange a visit to a Buddhist temple or invite a Buddhist to come in and speak about their shrine at home and puja (worship where Buddhists chant to show their love for the Buddha. They also make offerings of flowers, candles, incense and pure water). Children could create a Buddhist shrine in a shoe box to show understanding.</p> <p>There are many different types of Buddhism, because the emphasis changes from country to country due to customs and culture. What does not vary is the essence of the teaching — the Dhamma or truth. Theravadin tradition has monks and nuns that abandon or give up worldly goods. They are established in Thailand and Sri Lanka. They have two robes, sandals, an alms bowl for gifts of food from people and a razor for shaving their heads. Show children a list of monks' possessions. Discuss why they think the Buddhist monks need these things and what they are used for. Ask children to make a list of their favourite possessions. Discuss differences between their possessions and those of a monk. Discuss with children the different aspects of a monk's daily life. Children could make a circular wheel showing what happens at different times of the day.</p> <p>Introduce the word 'Sangha' and what it means. Buddhist monks and nuns rely on the generosity of people who gift food and supplies. In return the people believe they are doing good by helping and supporting the monks and nuns. Ask children to make a list of any groups or clubs they belong to. How can they identify some of these groups or clubs? Do any of these groups or clubs have special clothing? Discuss the use of clothing to identify people in different groups, e.g. school uniform, policemen, fire fighters, etc. Recap that Buddhist monks wear robes. Children to draw a monk wearing a robe, identifying & labelling different parts of the robes. Year 6	What do the gospels tell us about the birth of Jesus?		Autumn
Learning Outcomes	Activities	Links to other subjects	Resources
<p>To have a clear understanding of the story of Christmas and understand why it is significant to Christians.</p> <p>To compare and contrast the Gospel stories of Christmas from Matthew and Luke.</p> <p>To begin to understand why there are differences and the implications of this for Christians.</p> <div><p>Key words Gospels, Christmas Story, Mary, Joseph, angels, Jesus, shepherds, Kings, Egypt, Nazareth</p></div>	<p>Find out what the children know about the story of Christmas already. In groups, create a story map to show the sequence of events.</p> <p>Compare the story of Christmas according to the Gospels of Luke and Matthew. Read the accounts and summarize the main points of each.</p> <p><u>Luke</u> The story begins in Nazareth, where Mary and Joseph live. Mary, not Joseph, is visited by an angel. They go to Bethlehem for a census, and because there is no room at the inn, Mary lays the child in a manger. Angels announce his birth to local shepherds, and tell them where to find Jesus. There is no mention of a star, wise men, the slaughter of the innocents, or fleeing to Egypt or Nazareth.</p> <p><u>Matthew</u> Joseph is considering divorcing Mary after finding out she is pregnant. An angel appears to him, telling him what the child is and commanding him not to divorce her. Jesus is born in Joseph's home in Bethlehem ("When Joseph woke up, he did what the angel of the Lord had commanded him and took Mary home [...] she gave birth to a son," NIV). The wise men come looking for Jesus, following the star, and "on coming to the house, they saw the child with his mother Mary" and present their gifts. Soon an angel warns Joseph in a dream of the coming slaughter, and they flee first to Egypt and then to Nazareth.</p> <p>How are they different? Which one do you think is more accurate / believable? Why do you think there are differences? What implications does this have for Christians?</p> <p>Children could create a drama, cartoon sequence or produce a story book to show both or one of the accounts to show their understanding of the story and what it means to Christians.</p> <p>Look at art work showing the story of Christmas. Split children into groups to complete a drawing of someone with a particular religion / job/ way of life. Discuss the pictures looking at misconceptions.</p> <p>What is prejudice and discrimination? Look through this website and explore each type. How does it make people feel? What can we do about it? Is there a wrong way to deal with it? Children independently research different types of discrimination, e.g. gender, race, age, etc individually, in pairs, or in groups.</p> <p>Christianity Various stories in the Bible relate to this, e.g. Centurion's servant, Good Samaritan, etc. The Samaritan Woman at the Well (John 1-42) Tell the story to the children. What is the message in this story? What is Jesus telling Christians to do? Explore the role, aims and purposes of 'The Samaritans' charity and how it helps people deal with discrimination. "Turn the other cheek" (Sermon on the Mount, Matthew 5:39) Christians are taught when someone says or does something hurtful to them, they should not retaliate but take the punishment. Explore this with the children and think about various types of discrimination that Christians may have to deal with.</p> <p>Buddhism Explore equality in Buddhism. The things which divide and separate people like race, religion, gender, social position are all 'illusory' (Dhammapada 6). The Buddha taught that men and women are equally able to achieve enlightenment and gave full ordination to women (as nuns). What impact does this have for Buddhists? How does it compare with what we believe about gender equality? The Buddha rejected the caste system in India. Discuss the caste system. Is there a social pecking order in school? Should there be? Describe or look at pictures of a church on Good Friday. Look at the pictures of the Stations of the Cross. What do they show? Read the story according to the Gospels as you do this. Why did Jesus go through such suffering? What impact did his suffering and death have for Christians? Children to write from the perspective of either Mary or one of the disciples to show what happened on Good Friday to show their understanding of the story. Explain the significance of eating hot cross buns on Good Friday. Make or taste some hot cross buns. Children could also create a picture to show what happened on Good Friday to show their understanding of the importance of this day, taken from inspiration from the Stations of the Cross pictures.</p> <p>Easter Vigil and Paschal Candle Light a candle. Think about different kinds of lights and how they make you feel. Make links to the significance of light in the darkness. Discuss why Christians believe Jesus is the Light of the World. Depending on answers, allow children to discuss each other's suggestions. If they mention heaven, explore what they think it means.</p> <p>Discuss what the children think the spirit or soul is. Children consider what is special about someone they know/a friend, e.g. talents, qualities, sayings, basically, what they would remember about that person if they were to leave. Christians believe Jesus was God's son who died to save humans, so those who believe in Jesus will go to heaven when they die. Christians select cremation or burial, usually the service is led by a church leader; some people plan their own funeral; or family/friends choose music/ hymns, readings/poems/prayers. Discuss why a Christian might choose Bible readings, prayers and hymns.</p> <p>Children research funeral rites for a Hindu or Sikh. Why do things happen that way? What do Hindus believe happens to them after they have died? Why is water important? Research River Ganges. Ask children to thought shower ideas of things that might go against them, day by day, that might affect their karma. Actions have consequences.</p> <p>Remind children on the principles of Humanist views. Discuss that Humanists believe that "in the absence of an afterlife and any discernible purpose to the universe, human beings can act to give their own lives meaning by seeking happiness in this life and helping others to do the same". Explain that Humanists can choose to have their own funeral which "offer an appropriate and fitting way to honour a life with warmth, sensitivity and meaning."
