8th March 2024

Dear Parents/Carers,

Another busy but fun couple of weeks at Hummersea! Well done everyone for World Book Day yesterday - the children all looked fantastic. Have a lovely weekend!

School in a snapshot

- Assemblies to celebrate St. David's Day last week and World Book Day have been enjoyed by the children.
- Y5 and Y6 have taken part in an emotional health and wellbeing session in school.
- Y4 have been busy tasting different foods from around the world while Y3 have enjoyed making sweet and savoury tacos!
- Y5 and 6 have visited the library for a book workshop.

World Book Day Costumes

If you have any costumes that no longer fit your child, we would really appreciate them being donated to school for us to keep for any families who may struggle with buying a costume next year. Please pop them into the school office. Thank you!

Red Nose Day

Next Friday 15th March is Red Nose Day. Children are welcome to come in their own clothes and can make a donation if they wish.

Messages to School Office

To limit any disruption in the school office, please can you let school know on a morning any changes in home time arrangements so we can share the information with class teachers as soon as possible.

We are also finding that children are also being collected early from school which is impacting on cover in the office. Children should not be leaving school early except for medical appointments which should be arranged outside of school time where possible. Thank you so much for your support.

Notice of roadworks

We have been informed that Northern Power Grid are going to use temporary traffic lights on Westfield Terrace outside the park for a few days from 14th March as they are putting a new power supply into the park. The road will be open but the lights may cause some inconvenience so please factor this into your journey to and from school.

Yours sincerely,

Mrs C. Grainger
