2nd May 2025

Happy Friday after a lovely sunny week! Please find below some important information and dates.

Ofsted Report

We are thrilled to have received our very positive Ofsted report which has been emailed out to parents and carers through the Parent Pay App and is also available on the school website.

Thank you for your overwhelming support and lovely comments. If you have any questions about the report, please do not hesitate to get in touch.

Warm Weather & Summer Uniform

The nice weather has landed in Loftus this week and hopefully it is here to stay. Please can you ensure the children have water bottles in school, sun lotion and sun caps when it is hot. Children are able to bring in sun lotion to school as long as they are able to apply it themselves and do not share it with anyone else.

Summer uniform is welcome with white polo shirts, smart grey/black shorts and blue gingham summer dresses. No crocs or sandals please.

Parent Pay

Thank you to everyone who has signed up to the Parent Pay App. Everyone has received their individual activation codes to get set up so that you can access important items such as school dinner payments, wraparound care bookings, after school clubs and important letters.

If you have not been able to set up your account, please contact the school office for support.

Paperless

In an effort to move with the times, help the environment and reduce paper costs, we will be sharing newsletters on the Parent Pay app via email going forward. Newsletters will also be available on our website.

Wraparound Provision

Our new breakfast club times and afterschool provision are available to book on Parent Pay. Please note that if your child is booked in and does not attend, you may be charged. If your child is unwell and cannot attend, please let the school office know as soon as possible.
