PE at Hummersea

We are pleased to share that we have joined the Cleveland School Sports Partnership as we continue to develop our sporting and physical activity opportunities for our children. It is a busy calendar for the year with a range of competitions for all children.

Our Sports Crew – a team of children who will be working with Mr Dunford to use their leadership qualities to support sporting activities, including our summer sports days and activity weeks.

Y5 children will also be trained as play leaders following on from the success of last year to support our younger children with their play and physical activity on the KS1 playground.

In line with our uniform policy, please can we ask that children have a plain white t shirt and black/navy shorts or jogging bottoms/tops (in cold weather) for PE lessons and so they look super smart when representing our school in competitions.

Medical Information

We are experiencing a small number of children having impetigo which seems to be appearing in a lot of schools in the area at the moment.

Children must not return to school until sores/blisters have started to crust over or 48 hours after antibiotic cream treatment has started.

School in a Snapshot!

- KS2 children attended a dance workshop at Loftus Library.
- Y5 had a storytelling workshop from Tellers on Tees
- Children voted for pupils to represent them as Safeguarding Superheroes and Equality & Diversity Groups as part of international democracy day.
